

Easter 2012

IGCSE Easter Drilling Programme

NTK's IGCSE courses are designed to boost students' confidence through intensive training. All of our subject teachers have a wealth of experience in teaching the IGCSE. Our 2012 Easter Drilling Programme provides comprehensive practice in a range of subjects for students who are taking their exams in May/June 2012.

AQA Syllabus

Subject	Chemistry	Physics	Biology	Mathematics
Teacher	Mr. W. Tse	Mr. M. Ho	Mr. A. Mok	Mr. B. Lee

Edexcel Syllabus

Subject	Chemistry	Physics	Biology	Mathematics	Economics
Teacher	Mr. J. Lo	Dr. W. Wong	Mr. K. Kan	Mr. F. Wu	Ms. C. Law

Students who enroll in three or more full courses will be eligible for a 5% discount.

Each lesson covers different papers/topics and students are encouraged to enroll in all lessons in the subject(s) they will be taking. The timetable is designed to allow students to enroll in all lessons in all subjects of the same examination board.

Places are limited and are offered on a first come, first served basis, so please book early to avoid disappointment.

Please pick up our course leaflet for further details and contact our front desk at 2577 7844 for more information and bookings.
